

TED CRUZ LEGAL MERCENARY

A Chinese conglomerate stole 74-year-old American businessman Jordan Fishman's life's work, and was found liable in Federal court (Jury Verdict, 7/15/10). The thieving Chinese company hired the type of lawyer they knew would accept the bounty against an American businessman: shameless legal mercenary Ted Cruz (Appearance of Counsel, 11/18/10).

TED CRUZ LEGAL MERCENARY

TRIAL LAWYER TED CRUZ IS PAID BY A CHINESE CONGLOMERATE, KILLING AMERICAN JOBS.

Chinese intellectual property thieves stole 74-year-old American Businessman Jordan Fishman's life's work. The thieves were found liable and were ordered to pay Fishman \$26 million (Jury Verdict, 7/15/10; Court Order, 7/19/10). **Ted Cruz signed up to defend the Chinese company** (Texas Monthly, 10/3/11).

Ted Cruz's goal as lead counsel was clear: deny Fishman justice through endless litigation. "They believed he would die or run out of money first," stated a co-conspirator of the Chinese company (Herald-Tribune, 7/28/10).

Ted Cruz is lining his pockets to protect the Chinese and destroy American jobs.
